# VENUE ACCESS

- Seating is **flexible**. No team is allotted a permanent room.
  - Teams may occupy any available **designated room on the 4th or 5th Floor**.
  - The following areas are **strictly restricted at all times**:
    - Room 401 & associated cabins
    - Teacher's Lounge
    - Open Terrace
    - Room 407 — Robotics Lab
    - Learner's Lounge
    - Server Room
    - Room 505
  - An area without a physical lock is **not automatically permitted for access**.
  - Participants must follow all **posted signage and instructions from organisers/faculty**.
-

# ENTRY, EXIT & IDENTIFICATION

- Carry your **valid University Student ID** at all times.
  - Student ID may be required for every entry/exit record.
  - Entry and exit **before 12:00 AM** must be logged with the Entry Coordinator, including:
    - Name
    - Enrollment Number
    - Team Name
    - Entry/Exit Time
  - After **12:00 AM**, **no exit is permitted until 6:00 AM**, except in the event of a genuine medical or safety emergency.
  - Any emergency exit will be handled directly by an **organiser or faculty member**.
  - Participants must **not leave the University campus at any point during the event**.
- 

# CONDUCT & CLEANLINESS

Participants are expected to maintain discipline and institutional decorum throughout the hackathon.

- Maintain reasonable noise levels.
- Keep corridors, stairways, and emergency exits **clear and unobstructed**.
- Dispose of waste only in designated bins.
- Each team is responsible for keeping its own working area clean.
- The following are strictly prohibited:
  - Smoking
  - Prohibited substances
  - Physical altercations
  - Harassment
  - Damage to University property
  - Entry into restricted areas

Any violation may be **escalated to faculty or University authorities**.

---

# FOOD & REFRESHMENTS

- Overnight refreshments will be arranged and served directly on the **4th/5th Floor**.
- Participants do not need to arrange their own food after **12:00 AM**.

- **External food deliveries are not permitted after 12:00 AM.**
  - Food ordered before 12:00 AM must still comply with the standard **security and access procedures**.
  - Do not allow food or beverages to:
    - Damage University equipment or furniture
    - Block access routes
    - Create litter
  - Dispose of all food packaging in designated bins.
  - **Glass containers are discouraged** for safety reasons in the high-density overnight environment.
- 

## IN CASE OF EMERGENCY

If you notice any safety, medical, or security concern:

**Report it immediately to the nearest organiser or faculty member.**

**If an evacuation is announced:**

1. **Do not use the lifts.**
2. Proceed through the **designated fire exits**.
3. Move to the **Atrium assembly point**.
4. Remain there and wait for further instructions.

### Emergency Support

- First-aid kits are available on **each floor**.
- Medical personnel will be **on call throughout the overnight period**.
- The **Entry/Exit Register** is the primary record of participants present on the floor.
- Accurate check-in during the **11:30 PM – 12:00 AM** window is essential for participant accountability.
